Contract No. 2018 1969 5370 – Version 1

TEST CERTIFICATE

We, the undersigned, **DEKRA Industrial SAS**, located at 36 Avenue Jean Mermoz, CS 58812 – 69355 Lyon Cedex 08, FRANCE, certify that:

The anchor plate for steel decks « VECTASAFE® VA12 », type A in the meaning of NF EN 795 dated 3 March 2016 as described in the drawing N° VA12 dated 06/02/2019, index A, dated 30/01/2019,

distributed by **ALSOLU**, 89 rue Florent Evrard – 42100 Saint-Etienne FRANCE

has had the following tests performed upon it:

- Static strength tests for compliance with the protocol and requirements defined by the NF EN 795 standard of 3 March 2016 – paragraph 5.3.4
- Dynamic strength tests for compliance with the protocol and requirements defined by the NF EN 795 standard of 3 March 2016 – paragraph 5.3.3

The static and dynamic strength tests described above have given satisfactory results with regard to the criteria defined in the NF EN 795 standard of 3 March 2016.
